

ORIGINAL MODERN ART & SOUND DECORATIVE ABSORBING ACOUSTIC PANEL

" THE WHEEL OF WORLD "

| M.Katarzyna Dietrych-Kuzak | 17" x 17" x 3" | 43 x 43 x 8cm | own technique | 100% upcycled fibers | 2019 |

Elimination of unwanted sound by M.Katarzyna Dietrych-Kuzak' Fine Art
Each panel is imaginative and unique. It is signed by me as the independent work of Art.

Inspired by the theme poem:

Points of the compass

The wind, the region,

The origin, the arrival

The rudder, the sound, the music

the confidence to succeed

the direction you come from

or where you are going

The wind pushes, sometimes unpredictable.

More about me and my Fine Art on my official page.

Fine ART.
